

STRATEGIC INITIATIVES

2009-2010

As we've prayed and planned about the next year, we believe that God is calling us to be a more *outwardly-focused church* in the next year. We are purposefully funneling our financial and ministry resources in that direction. We are increasingly excited about how this will help us achieve our mission of engaging lost and broken people with the generous love of Jesus. This list gives you a taste of what to expect in the year to come.

Connections ministry

A personal welcome, gift and invitation to Chatham Church for everyone that moves into the area.

Guest follow-up

A new welcome packet for follow-up of guests to Chatham Church.

Question and Answer Session with the Pastor

A relaxed time after church each Sunday to ask questions about the sermon, about the church, about Jesus.

Discovery Lunches

A Sunday lunch for those who want to know more about our church, our ministry, and our leadership.

Membership Workshops

We will hold our first workshop in August.

Youth Gathering Place

A place for students to meet each week at a neutral site, a place they'll want to invite their friends to.

Christmas Eve Service

An outwardly-focused service similar to last year; we are planning on two services this year.

Easter Outreach

An outwardly-focused service with Easter Egg Hunt, Photos, and gospel sermon.

Small Groups

We want our small groups to be missional in their welcoming, caring, challenging, and training people for growth in Christ.

Outreach Events

Events that engage our community including a Youth Event, a Men's Event, and a Women's event.

Home Improvement Ministry

Continued ministry partnering with local families to help them with needed home improvements.

Habitat for Humanity

We will join with other churches providing finances & workers to build an affordable home.

Community Investment

We want to partner with local causes that you care about. Have an idea? Let us know about it. The two criteria: 1) it's local, 2) people from our church are engaged with the cause. We want to invest money *and* people in good causes.

Church Has Left the Building (CHLTB)

We are planning to have CHLTB twice this year (Fall and Spring). We are inviting other churches to join us in May.

Global Missions

We want to take a step outside our borders so that cross-cultural/global missions are built into our DNA.
