

## Welcome

Thanks so much for worshiping with us on Easter Sunday. If you are a guest, we know that you've taken a step of faith to be here, so we want to say "thanks!" We appreciate the fact that you've invested your Sunday morning getting to know us, and we hope that you have a wonderful and meaningful time.

As a church, we are here to help you take the next steps in your journey with God. For some, this feels incredibly new as you are considering what life with Jesus is all about. For others, you've been around churches before, and you are wondering if you want renew your faith by coming back. Wherever you are in your journey, we are here to walk alongside you.

We believe that God can use you to make a difference in this world, but life really starts when you let God make a difference in you. You are invited to come and learn along with us.

Well, not yet, but the church will leave the building on Sunday, May 3<sup>rd</sup>. So, for a Sunday we are going to "leave the building" and get out into our community to serve and show God's love to others. Mark the date and look for more information in the weeks to come.
